## Restrunging Service

The scale indicates the playability and elasticity of the string. The higher the number the more feel and playability you will get from the string. These strings hold their tension well. The lower the number the less feel you get, however the string will provide you with durability.

String type	Gauge	Playability	Price (Including Fitting)	Tennis Club Membership Price (20% Off)
<b>Natural Gut</b> - Power/ Feel – The best natural gut on the market, recognised as providing superior feel. It retains its tension longer than any other string. A great choice if you have suffered from tennis elbow.				
Babolat VS Touch	1.30mm	10	£55.00	<b>£44.00</b>
Babolat Vs Team	1.25mm	10	£55.00	<b>£44.00</b>
<b>Multifilaments</b> - Comfort – Softer feeling strings, a man-made version of natural gut. Ideal for performance players and children under 16 years old due to its great elasticity.
